Welcome to our first Newsletter!

Hello & Thanks... for taking the time out of your busy day to read our publication! As the new owners of Colourific Screen Printers we have been 'settling' into things here. We took over in mid August and have been working hard to ensure a smooth transition for clients.

A special thanks to all, for supporting us during our first few months. We are looking forward to providing a friendly and professional service to everyone.

Colourific Screen Printers was established in December 1978 - so our 30th birthday is just around the corner! We think this is an amazing milestone and plan to celebrate, so keep an eye out for something special.

Our Website...

We are thrilled with our fantastic new web site - www.colourific.com.au. Take a look and let us know what you think! We still have a few things to tweak, including the butterfly which flies backwards! Thanks to Mel Tansley our web designer, who working with Nicola, has created this wonderful resource. To contact Mel for your web design please email her at futurelink@clear.net.nz.

Thought of the Day...

Sometimes your joy is the source of your smile, but sometimes your smile can be the source of your joy.

Thich Nhat Hanh

A Giggle...

Nicola and Pauline had a play at screen printing our umbrella whilst Chris was away one day. We thought it looked pretty good. Chris almost broke into hysterics when he saw what we had done and couldn't wait for the first downpour to wash off our efforts which we had done in acrylic paint!! We will leave the printing to the expert!!

The Serious Bit...

NOW is the time to prepare for the Christmas and New Year rush! Think outside the box and give something unique as a thank you to your clients and staff. Contact Nicola @ Colourific to organise your screen printed -

- Tee's, Polo's, High Vis, Gym and Leisure gear
- Corflute signage
- Stickers
- Satin Sashes and Ribbons
- Magnetic Signs / Fridge Magnets
- Rotary bannerettes / School bannerettes

We love a challenge so don't hesitate to contact Nicola for a quote and to discuss your ideas.

Till next time! All the best from the team at -
